I understand that this is a community supported venture rather than a buyer's club, and that, although the grower is committed to the best of his/her ability to provide high quality produce, there are risks in agriculture which need to be shared by the whole community and may be reflected in the yields of certain crops. I understand that my membership payment entitles me to a weekly share of produce harvested from Catalpa Farm's CSA plot during the 2017 growing season. I understand that it is my responsibility to become familiar with the rules of the CSA program and my membership may be discontinued due to failure to abide by these rules.
